Join us in our trip to the dynamic Hong Kong. While Hong Kong appears to be glamorous, aging population and huge wealth gaps still pose serious problems. The socio-economic climate causes many poor and old people to have nowhere to live but tiny homes. You will have a chance to give hope and encouragement to children, elders, and migrants by washing their feet and giving them new pairs of shoes. You will also have a chance to visit the touristy spots as well as local hidden gems in Hong Kong.

“Each one of you should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.” 1 Peter 4:10
